

**DO NOT ATTACH THE ZIPPER HATCH TO YOUR SHRINK-WRAP MATERIAL UNTIL THE SHRINK-WRAP PROCESS HAS BEEN COMPLETED. DO NOT USE A HEAT GUN ON THE ZIPPER HATCH.**

**1) AFTER** completing the shrink-wrap process, place or tack your Zipper Hatch to the desired location.

**2) Tape** the Zipper Hatch to the shrink-wrap on all four sides using the supplied tape.

**3) Unzip** the Zipper Hatch. Using any razor knife, cut your opening between the zipper teeth. Cut through both the Zipper Hatch and the shrink-wrap material.

**DO NOT USE A HEAT GUN ON THE ZIPPER HATCH OR THE SUPPLIED TAPE.**
