- **PATENTED ZIP-UP ZIPPERS** Built to last longer in any weather condition while maintaining a stronger bond. Suitable for indoor and long-term outdoor use in any weather conditions and can be applied at temperatures ranging from -20 to 150 degrees Fahrenheit
- **EASY PEEL & STICK** Zip-Up's unique adhesive has been formulated with a "quick-stick" capability that enables the zipper to be repositioned during the initial installation. After the adhesive has been set for some time it will form a high-strength bond to the poly sheeting
- **PREMIUM MATERIALS** Made from heavy duty blue woven poly backing for long-term durability.
