

WINDOW PROTECTION FILMS

WINDOW PROTECTION FILM IS EASIER AND FASTER TO APPLY THAN USING POLY SHEETING AND TAPE.

For temporary protection of windows and frames against mortar stains, stucco, over sprays, residue and more. Self-adhesive film is easier to apply than using poly sheeting and tape. Film is treated to resist UV sunlight and moisture. Specialty formulated never to leave a residue. Film grades available from 30 days up to 360 days outdoor usage

- Self-adhering protective film for windows and glass
- Protects against over-sprays, mortar stains, stucco residue and more
- No more scraping and cleaning damage to the glass surface
- Saves time, labor, and money
- Designed for jobs big and small
- Perfect for building, painting, remodeling and more
- Designed for the professional and the professional in everyone
- Easy to apply
